

VOLUNTEER

SUMMER 2008

Volunteering with City Gateway

Volunteers make an incredible contribution to people's lives in the local community

Come and be part of an exciting team - play sports like football and basketball, help in the music studio, make a video, or just chat with young people

While you gain valuable experience, new skills and training opportunities, your help will make a real difference in the community.

Briefing on Mon 14th July 6-7pm at Limehouse Youth Club
We can try arrange accommodation in certain circumstances

To get Involved contact:
