### **The Company**

This nursery curriculum combines bilingualism and Montessori. With the wealth of experience from their team teaching in French and the Montessori pedagogy, they have thus created a unique environment. As a result, it enables children of various ages and cultural backgrounds to achieve their true potential. This post will be working in the nursery with children aged 0 – 5 years old.

### **THE ROLE**

The apprenticeship lasts for 18 months and will be supported by an assessor throughout the Apprenticeship, as well as a mentor within the nursery. This Apprenticeship requires dedication, commitment & punctuality for you to be successful. This Apprenticeship will open doors to a variety of future roles & career paths within the Childcare Sector.

### **Duties and Responsibilities**

- Supporting the development of the childcare provision.
- Providing an excellent range of activities that ensures the child learns whilst having fun.
- Assisting in meeting OFSTED requirements.
- Being a team player.
- Providing challenging and stimulating activities for children appropriately.
- Responsibility for equal opportunity in delivery.
- Supporting children’s learning and development.
- Supporting children’s self-help needs.
- Being creative and enthusiastic.
- Following Safeguarding rules and regulations.

### **Training and qualifications you will receive:**

Level 3 - Advanced Diploma Early Years Educator - Your apprenticeship will last for 18 months. You will be supported by an assessor throughout your apprenticeship, as well as a mentor within the nursery. Apprentices must successfully evidence a First Aid qualification approved by EYFS.

**Expected career progression after apprenticeship:**

Developing into a Level 3 practitioner, with the potential of a permanent position upon successful completion.

Other prospects could include applying for :

- Room Leader Positions
- Possible Management training
- Springboard into Primary Education
- Paediatric nursing
- Continuous development in current nursery setting

**Things to consider**

Your apprenticeship will last for 18 months. You will be supported by an assessor throughout your apprenticeship to meet the criteria to pass the apprenticeship, as well as a mentor within the nursery. Training will take place at City Gateway E14. You will need to attend 1day of training every week for an 18-month apprenticeship. You will be working within the nursery for the rest of the time with the support of your dedicated childcare assessor.
